Subject Thank You Mr. Friedle

Good afternoon Mr. Friedle,

Thank you for the interview on September 13th for the social media marketer. I appreciated your openness about your son's condition and how Lamberski Communications assisted you. This made the Lamberski motto of "treat your customers like friends and your employees like family" seem like a way of life at Lamberski. Please reach out with any additional questions. I remain enthusiastic about this position!

Sincerely,

Bryce Radford
